

Agreement to Pay

Medical Physics

Excess pages require acceptance of a charge for publication. The published length of Medical Physics articles is as follows: Research Articles and Dataset Articles, 10 pages; Letters and Technical Notes, 5 pages; Controversial Topics, 10 pages; Future of Medical Physics, 15 pages; AAPM Scientific Reports and Special Reports, 30 pages; Book Reviews, 3 pages.

Pages published in excess of these limits must be paid for by the Contributor at the rate of \$200 per additional page.

Please complete this form and email it to the production editor at **MP@wiley.com**. When your article publishes in the print issue, you will be invoiced by Wiley.

(Please complete electronically by typing your responses below)

Name: Brian Mark Anderson
Manuscript No.: MP15147
Manuscript Title: A novel use of biomechanical model based deformable image registration (DIR) for assessing colorectal liver metastases ablation outcomes
Address: 8840 Costa Verde Blvd Apt 3457 San Diego, CA 92122
Phone Number: 828-446-1899
E-mail Address: kkbrock@mdanderson.org; b5anderson@health.ucsd.edu
